SPEEDY CARBON

SOLID-CARBIDE CFRP ROUTERS

SPEEDY CARBON

SOLID-CARBIDE CFRP ROUTERS

EXTENDED TOOL LIFE

Experience longer tool life with our CFRP routers, saving you time and money on replacements.

LIGHTNING-FAST RATES

Achieve faster rates with increased speed and feed capabilities, enhancing overall production efficiency.

CVD DIAMOND

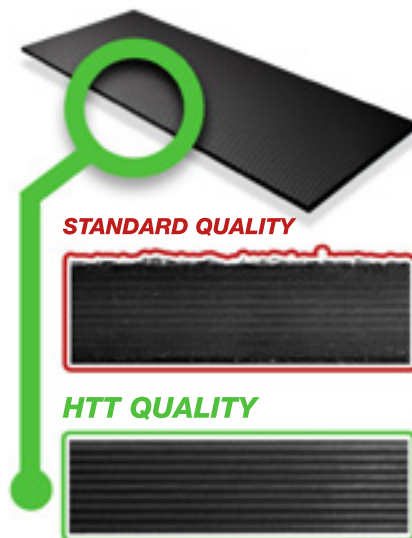

Experience the power of CVD diamond coating on our CFRP routers, unlocking a world of benefits including extended tool life, reduced cutting tool and workpiece temperatures, and impeccable finishing quality.

SEAMLESS SURFACE FINISHES

Enjoy smooth surface finishes on your CFRP components, ensuring a high-quality end product.

IMPECCABLE TOLERANCE

Our routers deliver perfect tolerance levels, meeting the most stringent industry requirements with precision.
